

The Searchable Whois Service (SWS) is provided by GMO Registry, Inc ("GMO"). Use of the SWS is restricted to ICANN accredited registrars, law enforcement officials and others with a legitimate purpose for using the service. Access is granted solely at the discretion of GMO Registry and on a case-by-case basis. Applications for access to the SWS should be sent to the Registry via the web contact form on the GMO Registry website (<https://www.gmoregistry.com/en/contact/>) and clearly state the reason for requested access.

By using the SWS you agree to comply with these Terms and Conditions ("the Terms"). We may revise the Terms at any time by amending this document with GMO's sole discretion. You agree to review this page each time you use the SWS. By using the SWS after any changes have been made to the Terms, you agree that those changes will be binding on you. If you do not agree to or accept any part of the Terms you must not use the SWS.

GMO operates the SWS in compliance with the Japanese Act on the Protection of Personal Information ("The Act"), provisions of Telecommunications Business law relating to privacy of communications, and its own Privacy Policy in the acquisition, usage and all other handling of the personal information.

The purpose of the Act is to protect the rights and interests of individuals, to prescribe the duties to be observed by entities handling personal information (any information about a living individual which can identify the specific individual by name, date of birth or other description) etc. regarding the proper handling of personal information.
